Re: Clarification  
Roadway Improvements for Ardis Road  
Aiken County, South Carolina

Dear Ms. Lyles:

The following are clarifications to the Contract Documents for **Roadway Improvements to Ardis Road** in Aiken County, South Carolina.

## Clarification #1

In the Bid Document, Page B-2, Line Item 14. 6" Sand/Clay Base (Includes Driveways), the bidder is advised that this **does not** include sand/clay base for driveways, and the bidder shall strike through "(Includes Driveways)" in this line item in their bid. The contractor is further advised that Sand/Clay Base for driveways **is** included in Line Item 17. Driveway – Complete (6" Sand/Clay Base, 1.5" HMA Surface Course – Type C).

## Clarification #2

In the Bid Document, Page B-2, the contractor is advised that the 1.5" Uniform HMA Surface Course Type C in Line Items 15 & 17 is 1.5" **Compacted** Uniform HMA Surface Course Type C, and the contractor shall refer to the Construction Specification, **Section 7.0 - Asphalt Surface Course** for compaction requirements.

Sincerely,  
CRANSTON ENGINEERING GROUP, P.C.
