AIKEN COUNTY LANDFILL HAULER/PERMIT APPLICATION

(Completed applications should be taken to the Solid Waste office at 411 Connector Rd, Graniteville, SC 29829.)

Company/Individual Name: _____ Hauler #: _____

Street Address: _____

Mailing Address: _____
(if different)

Phone #: (_____) _____ E-mail Address: _____

Company Federal ID #: _____ Company State Tax ID #: _____
(If Individual – SSN)

Vehicle Make/Model	Vehicle Description	Tag Number	State	Registration Number	Truck Number	Permit Number	Expiration Date

Describe your business: _____
(What kind of product or service do you provide?)

- Types of waste to be disposed of:
- | | | | |
|------------------------------------|--|--------------------------------------|--|
| <input type="checkbox"/> Furniture | <input type="checkbox"/> Household | <input type="checkbox"/> Industrial | <input type="checkbox"/> Commercial |
| <input type="checkbox"/> Concrete | <input type="checkbox"/> Construction | <input type="checkbox"/> Yard Waste | <input type="checkbox"/> Land Clearing |
| <input type="checkbox"/> Asbestos | <input type="checkbox"/> Shingles | <input type="checkbox"/> Recyclables | <input type="checkbox"/> Tires |
| | <input type="checkbox"/> Special Waste | <input type="checkbox"/> Other | |

How often will you dump: Once Weekly Monthly

Additional permits may be obtained by: _____, or _____
(Print name) (Print name)

NOTE:
No medical, liquid, or hazardous waste is accepted at the county landfills. All Special Handling Waste and Industrial waste must be permitted and approved by Aiken County prior to loading for disposal.

No E-waste including computers, monitors, printers and TVs. (SC DHEC code 48-60-05 through 48-60-150)

ASBESTOS material **must** have prior DHEC written authorization and County approval for disposal into a designated landfill. For more information regarding disposal call 803-642-1533.

No Mixed loads of C&D and MSW allowed. Any loads of C&D (construction and demolition) and yard waste coming into an Aiken County landfill must not have food waste or household trash type waste mixed in the load. Proper loading will prevent your load from being refused due to improperly mixed waste that will have to be separated.

Permits: A 2-year permit may be purchased for \$25.00. Permits are issued Monday-Friday, 8 a.m. – 4:30 p.m. Each hauler is responsible for properly placing the permits on each side of the correct vehicle. Failure to place the permit on the proper vehicle could result in forfeiting access into the landfill or result in having to purchase a new permit for proper placement. Should decals become lost, damaged, or faded due to harsh detergents being used when washing vehicle or sun damage, a new permit will have to be purchased.

Littering: THERE ARE STATE LAWS AND COUNTY ORDINANCES PERTAINING TO THE PROPER HAULING OF WASTE. ONE SUCH REGULATION REQUIRES THAT ALL LOADS, HOWEVER SMALL, MUST BE COVERED TO PREVENT DEBRIS BLOWING FROM A VEHICLE AND SPILLING ONTO THE HIGHWAYS OR OTHER PROPERTY. Such violations are subject to monetary fines and/or community service time.

Billing: All landfill accounts are invoiced on a monthly basis and are mailed by the 5th of the month following the month you incur charges. The total bill is to be paid no later than the **30th**, unpaid accounts after this time will be assessed a delinquent fee of 10% and no less than \$8.00 per account. Landfill access will be denied until account is brought current.

Payment by mailed: Solid Waste Division, 1930 University Parkway, Aiken, SC 29801

Payment in person: Barden Landfill, 411 Connector Rd, Graniteville, SC,
During the hours of 8 a.m. – 4:30 p.m.

Payment by phone: 803-642-1533 option 2

Any unpaid accounts may be sent to Aiken County’s Collection Agency, along with identifying information, for collections purposes. Additional fees may be imposed by the Collection Agency.

** All charges are based on fees in effect on the date of delivery as established by the Aiken County Council. **

I certify that all MSW (Industrial, Commercial, Household waste) disposed of under this disposal request has been/will be generated within Aiken County by the above referenced individual or company or that the individual, company, industry that I haul for has/will be a generator within Aiken County. I certify that all C&D Landfill acceptable waste that I haul will be from generators located only in Aiken County and member counties of Three Rivers Solid Waste Authority, i.e.: Allendale, Bamberg, Barnwell, Calhoun, Edgefield, McCormick, Orangeburg and Saluda counties.

I read, understand, and will comply with all of the above. I received a copy of the application. I understand that I am agreeing to pay all fees that I incur.

Printed name of person responsible for payment: _____

Signature of person responsible for payment: _____ Date: _____

Aiken County Solid Waste employee: _____

Landfill Hours & Material Acceptance

Aiken County Operated Landfill Facilities:

	<u>Barden (C&D)</u>	<u>Wagener (C&D)*</u>
Address & Phone	411 Connector Road Graniteville, SC 29829 803-663-4826	1769 Wagener Trail Road Wagener, SC 29164 803-564-3382
Hours	Mon-Sat: 7:00 AM to 5:00 PM <i>CLOSED ON SUNDAYS</i>	Wednesdays: 7:00 AM to 5:00 PM <i>CLOSED ON SUNDAYS</i>

Acceptable Materials:

- Earthen Materials (clay, sand, gravel, & silt)
- Logs, tree stumps, root matter, brush, limbs
- Topsoil, vegetation and rock
- Hardened concrete, asphalt, cement; brick, block
- Poly Fiberglass, glass wire (optical fiber), glass
- Construction Materials – plaster, plasterboard, shingles and other roofing materials, floor coverings, lumber, insulation, wall coverings, floor, wall and ceiling tiles.
- Carpet, house type furniture, mattresses & box springs.

Recyclable Materials Accepted:

- A/C ducts: insulation removed & goes to C&D
- Tires, scrap metal, white goods
- Structural steel & pipe
- Microwave appliances & air conditioners

*The Wagener Landfill also accepts asbestos materials within a separate trench at the facility. Written approval from SCDHEC is required *before* Aiken County grants permission for disposal. Contact Aiken County Solid Waste office at 803-642-1533 for more information.

Three Rivers Regional Landfill:

PO Box 569, Jackson, SC 29831

Monday through Friday: 6:30 am to 4:30 pm

Saturday 7:00 am to Noon

Vehicles hauling waste generated in Aiken County must have an Aiken County Landfill permit for access to this facility.

This facility is CLOSED to the general public; hand unloading is not allowed at this landfill.

Acceptable Materials:

- Household type waste
- Commercial Waste (non-residential)
- Treated Lumber
- Industrial Waste
- Clothing/Textiles
- Fiberglass Boats

Appendix I

Acceptable Waste for Construction, Demolition, & Land Clearing Debris Landfills

The following types of waste have been determined by the Department to be environmentally safe and may be accepted at construction, demolition, and land-clearing debris landfills unless specifically prohibited by the Department. However, any of the materials listed in this appendix that have been painted with lead-based paint and/or have been in direct contact with hazardous constituents (e.g., pesticides, etc.), or petroleum products, are prohibited from disposal at a construction, demolition, and land-clearing debris landfill.

Acceptable Land-Clearing Debris Such As:

- Earthen material, e.g., clays
- Top soil sand, gravels, & silts
- Vegetation
- Logs
- Tree stumps
- Rock
- Root mats
- Brush & limbs

Acceptable Construction & Demolition Debris Such As:

- Structural steel
- Bricks & blocks
- Plaster & plasterboard
- Shingles & roofing materials
- Hardened/cured asphalt (2)
- Pipes
- Floor coverings
- Other structural fabrics
- Poly fiberglass (highly polished, cured material used for shower stalls, roofing, etc.)
- Glass
- Non-friable asbestos-containing material (3)
- Hardened concrete
- Lumber
- Insulation material
- Floor, wall & ceiling tile
- Hardened cement
- Glass wire (optical fiber)
- Wall coverings
- Tires (1)
- Other items physically attached to the structure, e.g., signs, mailboxes, awnings, etc.
- Mirrors

- (1) Tires shall be reduced in size by a minimum of one-eighth the size of the original tire prior to landfill disposal.
- (2) Tar sealant material is not acceptable.
- (3) Non-friable asbestos-containing material which is in good condition and has not been handled in such a way as to render it a regulated material and thus subject to Bureau of Air Quality Control (BAQC) Regulation 61-86.1 (Standards of Performance for Asbestos Abatement Operations) and the National Emissions Standards for Hazardous Air Pollutants (40 CFR 61 Subpart M) is acceptable. Record keeping of all asbestos-containing material shall be in accordance with Bureau of Air Quality Control (BAQC) Regulation 61-86.1 (Standards of Performance for Asbestos Abatement Operations) and the National Emissions Standards for Hazardous Air Pollutants (40 CFR 61 Subpart M). Prior to disposal of any non-friable asbestos-containing material, the generator of the asbestos waste shall have a "permission for disposal" letter from the Department.

Appendix II Unacceptable Waste

The following types of waste have been determined to pose a potential threat to the environment and may not be accepted at construction, demolition and land-clearing debris landfills.

Any Waste That Has Been In Contact With Lead-Based Paint Such As:

- Plaster & plasterboard
- Concrete
- Wall paper
- Containers (cans, buckets, etc.)
- Metal poles
- Painting equipment
- Mechanical parts
- Lumber (siding, cabinets, shingles, etc.)

Any Waste That Has Been In Contact With Petroleum Products Such As:

- Storage tanks
- Pipes
- Mechanical/machine parts
- Absorbent (vermiculite)
- Paper towels & rags
- Containers
- Filters (oil, etc.)
- Soil
- Concrete

Any Waste That Has Been In Contact With Friable Asbestos Material Such As:

- Pipe insulation
- Asbestos-cement products that have been crumbled/pulverized
- Roofing material that has been cut with a saw
- Broken/chipped floor tiles
- Friable asbestos containing material

Any Waste That Has Been In Contact With Polychlorinated Biphenols (PCBs) Such As:

- Transformers
- Electrical components
- Any waste that has come in contact with any liquid containing PCBs
- Capacitors
- Lighting ballasts

Any Waste That Has Been In Contact With Solvents (industrial plants, chemical plants, laboratories, construction sites, etc.) Such As:

- Caulking compounds
- Container (packaging)
- Filters
- Pumps
- Mechanical/machine parts (valves)
- Flooring (wood, carpet)
- Soil
- Storage tanks
- Paint thinner
- Pipes
- Vats
- Adhesives
- Cement
- Cabinets (shelves)
- Tar
- Glazing compound
- Absorbent

Appendix II Unacceptable Waste

Any Waste That Has Been In Contact With Preservatives (pentachlorophenol & creosote)

Such As:

- Railroad ties
- Soil
- Any mechanical part used in manufacturing processes
- Utility poles
- Containers

Any Waste That Has Been In Contact With Pesticides/Herbicides Such As:

- | | |
|---|---|
| <ul style="list-style-type: none">• Containers (packaging)• Soil• Mechanical/machine parts• Any equipment used for application | <ul style="list-style-type: none">• Vats• Concrete• Wood (storage area) |
|---|---|

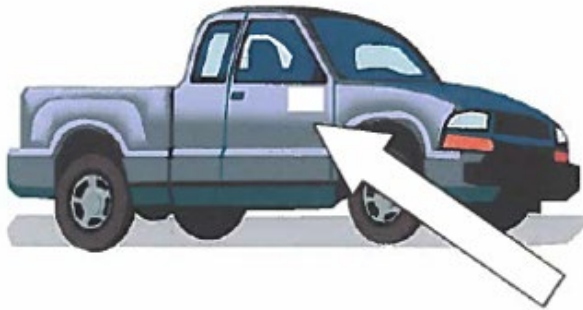

Miscellaneous Waste Such As:

- | | |
|--|---|
| <ul style="list-style-type: none">• Lamps (mercury) (1)• Liquid waste (paint, paint thinner, etc.)• Containers (paint cans, etc.)• Caulking tubes | <ul style="list-style-type: none">• Unpolished fiberglass (Bondo)• Solid waste which may contain a waste or substance determined by the Department to be unacceptable. |
|--|---|

(1) Fluorescent lamps and high intensity discharge (HID) lamps such as metal halide and mercury vapor lamps.

Landfill Permit Decal Placement

It is very important that you affix your new landfill permits to the correct place on your vehicle. The new permits “must” be adhered to the right and left side of your vehicle. This requirement enables the landfill operators to view the permit numbers when you come into the landfill and when you leave the landfill. If you go into the landfill and your sticker is not affixed in the proper place, landfill access could be denied. Below are examples of where permits may be placed.

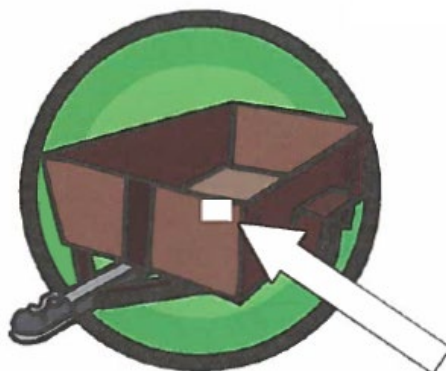

Right & Left side Door

Right & Left Front Panel

Right & Left Side Window

Front and Rear Panel

AIKEN COUNTY Landfill Materials, Locations and Unit Costs

Aiken County does not accept waste from outside Aiken County, except from member counties of the Three Rivers Solid Waste Authority. All waste received into the landfills are weighed by the ton in twenty pound increments.

Type of Material	Location	Cost Per Ton
Sand	(C&D)	\$11.00
Shingles	(C&D)	\$18.00
Commercial	(MSW)	\$41.00
Industrial	(MSW)	\$41.00
Construction	(C&D)	\$26.00
Land Clearing	(C&D)	\$26.00
Furniture	(C&D)	\$26.00
Yard Waste	(C&D)	\$26.00
Concrete/Asphalt	(C&D)	\$12.00
Tires – Truck or Passenger (*)	(C&D)	\$150.00
Tires – Off the Road (*)	(C&D)	\$300.00
Mattress		\$10.00 each
SPECIAL WASTE:		
Asbestos – Friable	(MSW)	\$90.00
Asbestos - Non-Friable	(WAG)	\$60.00
Rubber Dust	(MSW)	\$60.00
Metal Shavings	(MSW)	\$60.00
Sludge	(MSW)	\$60.00
Grit Blast	(MSW)	\$60.00
Silica Sand	(MSW)	\$60.00
Empty Drums	(MSW)	\$60.00
Contaminated Soil	(MSW)	\$60.00
Special Miscellaneous	(MSW)	\$60.00
Waste that requires immediate cover	(MSW)	\$125.00 <i>per load</i>

Anyone dumping illegally or improperly is subject to State laws and/or Aiken County ordinances. Those person(s) deciding to do so may incur fines and/or ‘Community Service’ time and/or, depending on weight of waste illegally dumped, have their vehicle confiscated.

Person(s) deciding to misrepresent the source and/or content of their waste are committing fraud and also become subject to State laws and Aiken County ordinances. One example would be representing waste as being from your residence when it actually was generated at a job.

MSW: Waste delivered to Three Rivers Regional Landfill and billed by Aiken County.

C&D: Waste delivered to Aiken County's Barden C&D Landfill or Wagener C&D Landfill and billed by Aiken County.

WAG: Wagener C&D Landfill (Open on Wednesdays, 7:00 AM until 5:00 PM)

(*): There may be special requirements for tires if there is a large quantity.
