

AUGUSTA REGIONAL TRANSPORTATION STUDY (ARTS)

PUBLIC FORUM

METROPOLITAN TRANSPORTATION PLANNING

Tuesday, July 26, 2016, 4:30 P.M. – 6:30 P.M.

Linda Beazley Community Meeting Room
Augusta-Richmond County Municipal Building, 1st Floor
535 Telfair Street, Augusta, GA 30901

The public is invited to come talk directly with representatives of the Federal Highway Administration (FHWA), Federal Transit Administration (FTA) & your Augusta Regional Transportation Study (ARTSMPO). Join us for a discussion on how we can improve the transportation planning process for highways/roads, traffic safety and congestion, bridges, public transit, bicycle and pedestrian improvements, freight and intermodal. Your transportation needs are important to us!

Roadway/Safety/Maintenance Improvements: Do current plans address short and long-range needs?

Public Transit Improvements: Are plans meeting transit needs?

Pedestrian and Bicycle: Do existing plans meet current bike/pedestrian priorities?

Intermodal: Are plans meeting freight and intermodal needs?

Public Information: Can you easily find information about transportation plans and provide public input?

For more information about this meeting, please contact:

Ann-Marie Day (FHWA) at 404.562.3639 or Valencia Williams (FTA) at 404.865.5643

To request information about transportation plans and programs, and assistance for persons with special needs related to handicapped accessibility or foreign language, please contact the Augusta Planning & Development Department (APDD) at (706) 821-1796. For more information on ARTS, please visit www.augustaga.gov/arts or email us at: ARTS@augustaga.gov. Ms. Melanie Wilson, Director/ARTS Project Director, Augusta Planning and Development Dept., 535 Telfair Street, Suite 300, Augusta, GA 30901
