Don't miss this great opportunity for veterans of all ages and military services to:

- Learn about various veteran service organizations and the ways they serve the veteran community
- Get connected locally to ensure the existence of veterans organizations for future generations
- Connect with other veterans, share stories, and find out what may be available to you based on your military service
- Meet with representatives from your Regional/Local Veterans Affairs Offices and Charlie Norwood Veterans Affairs Medical Center
- Meet and hear from your state and federal legislative representatives

Vietnam War Veterans – bring a copy of your DD 214 and let us recognize you for your contributions and service as part of the Vietnam War Commemoration effort with a ceremony at 12pm
